

# Bev Ryan

## SPEAKER PROFILE

Bev Ryan works at the intersection of publishing and professional growth. Her passion lies in supporting business and professional leaders to stand out in their field by producing quality non-fiction books in their area of expertise.

An expert in self-reinvention, Bev is the author of 'Smart Women Publish – Write the book that elevates you in your business or profession'. She combines her publishing, education and career coaching experience to help others make changes in their lives, gain access to new opportunities and become recognised and rewarded for their professional value.

### SPEAKING TOPICS

#### HOW TO SELF-PUBLISH A BUSINESS BOOK

Authoring a book can be the catalyst for much personal and professional growth, moving you from invisible to influential in your industry, while contributing to a more compassionate and connected world.

#### CLARITY BRINGS CONVICTION

Be clear about your motivation, message and preferred audience. Find your natural voice and style, choose your own lane, then confidently communicate with those who matter.

#### HOW TO BUILD CAREER RESILIENCE

Develop an enterprise mindset, polish your profile, publish content with a purpose, and add 'author' to your resumé to steer your career & stand out from the crowd. Build trust in your intrapreneurial qualities.

#### RELEASE YOUR REMARKABLE

Now, more than ever, women are re-inventing themselves and their careers in lieu of retirement. Combine wisdom and enterprise to plan and write your new life chapter.

#### WRITE YOUR NEW STORY

Self-authorship is a life-long process: there are perfect times in our lives – often difficult ones – where we are gifted the opportunity to re-assess, stop the old stories, and begin anew.

## WHAT OTHERS ARE SAYING

---

***"Bev Ryan knows her stuff. Her track record in empowering others to write and publish gives her great authority; but, more importantly, her warmth and energy shine through on stage. I was impressed by her stories of triumph, her industry insights and the practical tips she generously shares."***

Kevin Ryan CSP: Past National President of Professional Speakers Australia.  
Australian Speakers Hall of Fame Member

***"Bev Ryan stood out from the rest with her real, straight forward, no nonsense approach. From the very first conversation with her I sensed I was talking with someone genuine, honest and professional, which made my decision to work with her very easy."***

Fiori Giovanni: keynote speaker and author of 'Defy Your Destiny'

***"Bev's knowledge about how to get your book written and published is inspiring. She has a proven track record of authors she has coached and great success stories to share. She is very professional in the way she presents the process, especially those bite-sized chunks, so you don't feel that this will be an overwhelming task."***

Karen Bonanno: Genius School Educator, National Director of Eduwebinar

## ABOUT BEV RYAN

---

*The trend of business owner as author continues to grow and Bev caters to this growing demand for book guidance and self-publishing services. Writing a book is also a smart way for career professionals to position themselves as leaders in their field.*

*Bev's publishing clients continue to win international book awards, cover design awards and business awards.*

*As a speaker, Bev's creativity shines with entertaining presentations packed with practical hints and fascinating insights from a true industry expert. Bev is a thorough professional, tailoring her presentations specifically for each audience to ensure they receive the maximum take-away value.*

*Bev has a BA Dip Ed (English), and book coaching and career coaching certifications. She has managed the publication of her own national print and e-magazines since 1997 ("Work from Home" and "Honestly Woman") and others' books since 2010.*
